### A Message from Administration

#### Dr. Anthony Azar, Superintendent

Dear Graduating Class of 2019,

I would like to take this opportunity to congratulate you upon your graduation from high school. As your superintendent for the past four years, I am extremely grateful to each of you for the dedication and commitment you have shown in attaining your diploma. Please know that the theme for our district this year was hope and optimism. My hope for you is that you continue to write your own story. We all have a story to tell and your story will continue well after graduation. I am optimistic that you will aspire to find that sense of understanding of what your future holds. Finally, I look forward to hearing of your story for many years to come. Congratulations!

#### Dr. Kerri Anne Quinlan-Zhou, Assistant Superintendent

Dighton-Rehoboth Graduates,

As this is my fourth year in D-R, your graduating class holds a special place for me having witnessed your individual and collective accomplishments as Falcons. Congratulations! Although graduation feels like a time of closure, it is also a time of new beginnings as you launch into the next chapter of your life. As you move forward on your chosen paths, go confidently knowing that the lessons that you learned here will serve you well in life, career and higher education. And, remember in the words of Eleanor Roosevelt, "The future belongs to those who believe in the beauty of their dreams." Best wishes on your graduation and continued success!

### Dr. John Gould, Principal

Dear Class of 2019,

Your example is uncommon! This past fall, I challenged you to reduce our Spirit Week rally from two days to one. I engaged your representatives and they supported my recommendation because they recognized it as the best decision for our school. To me, their support reflects the high character of your class. With that said, I want you to move forward, after graduation, and continue to display those qualities that distinguish you. I urge you to build on your DRRHS experience to fulfill your ambitions. Further, I want you to remember the bonds of friendships that you have established and remember your legacy here at DRRHS. We – your faculty and your parents – are very proud of you. Best Wishes!

### Mr. Jeremy Guay, CTE Director

Congratulations to the graduating Class of 2019!

For thirteen years you have worked towards this goal and can now check it off as completed. But don't think of this milestone as an end, but as a beginning. Endeavor to pursue knowledge and refine your skills. I wish you all the best, remember to be true to yourself, and always look to help those in need"

### CONGRATULATIONS CLASS OF 2019

### Dr. Bruce W. Tench, II. Assistant Principal

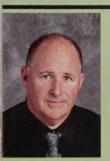

Congratulations to the Class of 2019! While some may go to college and others may go right into the work force, others may be going into the armed forces, you all have one thing in common and that is you are now graduates of Dighton Rehoboth Regional High School. Be proud of that! Congratulations! You did it! I am so happy to be celebrating this milestone with you! As you leave the familiar hallways of DR, remember you are prepared to face whatever obstacles that may come your way. Remember you do not have to face these obstacles alone. You have our school values and people who care about you. These are the tools to help you along the way. Always remember to stand in your truth-whatever that truth is. I wish you the very best of luck in all your endeavors and remember to continue to make yourself, your families, and your community proud. You each have made me very proud to serve as your assistant principal over the last few years!

### Mrs. Katelyn E. Lima, Assistant Principal

First off, I want to congratulate each of you on just one of your many accomplishments in life, earning your high school diploma from Dighton-Rehoboth Regional High School. You, as a class, have grown closer to each other over the past four years as well as individually to become young adults ready to conquer any obstacle you may face. I want to wish you the best of luck on all your future endeavors and remember the school's core values: Excellence, Integrity, Independence, Respect, and Responsibility. Congratulations Class of 2019!

### Mr. Douglas Kelley, Dean of Student Activities & Athletics

As your high school journey comes to a close and you face the next chapter of your life, I hope you take with you the fond memories you have made at Dighton-Rehoboth High School. I know your time here has prepared you for college, the military, or the workforce. The friendships you've made are for a lifetime. The athlete you played next to will never be forgotten. Whatever uniform you wore, instrument you played, art you created, play you acted in, engine you repaired, meant something. It counted, and you left your mark on our school. It helped inspire the person you are and hopefully others around you. DR will always be the place you call home. You have engaged in a strong academic environment that will give you a head start in whatever you plan to do moving forward. Always remember our school core values, and apply them as you move into this very trying world that we live in. \*Respect, Responsibility, independence, Integrity, and Excellence.." I wish you all the best as you move on. Be the Difference!

### Ms. Mary Harten, Director of Student Support

Congratulations Class of 2019! "There are no secrets to success. It is the result of preparation, hard work, and learning from failure." Gen. Colin L. Powell. May you find your success!
